Active After School Program

Fantastic Fun!

- Kids make new friends and have fun together
- Learn new skills and try different things
- Let off steam after school and get busy
- Play sport and have a great time

Active Bodies - Active Minds!

- Different theme every term (Funworks, Soccer etc)
- Variety of structured sports and activities
- Trained coach takes all of the sessions
- All equipment provided giant earthball, parachutes, toss mats, footballs, etc
- No additional cost to join in
- Gets those little bodies working.....

Parents love it too!

- Program is accredited by the Federal Government
- All activities fully supervised and in a safe environment
- Experienced carers and trained coaches
- Active After School Program gets kids up and moving, encourages structured physical activity and fosters a love of sports
